---

## Community Thanksgiving Service

The Community Thanksgiving Service has been cancelled for this year. We all know the reason – that dreaded word, COVID. The offering usually taken during this service is a benevolent offering. The offering is used for people traveling through Lexington who are in need of food, gasoline, or other needs to help get them back on the road. Although we will not have a service, the offering for this ministry, still depends on our people's help. Please make your checks or envelopes out to **Minister's Charity Fund**. **Thank you so very much!**

---

Please have your boxes back in the Sanctuary by tomorrow, Nov. 16. Bro. Lyn Nations will pick them up and take them to a state pick up point and your box will be on it's way to your special child. Each box is an opportunity to delight a child and share the Good News of Christ with them and their families. Thanks for your prayers said over your box. May God richly bless you as your child is blessed by your gifts and witness.

*WELCOME!*  
TO OUR CHURCH
