Open my eyes, that I may behold wondrous things out of Your law. Psalm 119:18

When you open up the Bible, what do you expect to find? If you are like David, you expect “wondrous things.” And he only had a small portion of the Bible God’s given us today! The reality is this...

There is no wasted moment reading God’s Word.

Even if you only read a single verse, you are hearing from God himself. And you have a chance to “behold wondrous things” in His Word.

From now on, never let a single day pass without reading at least one verse. You can do that, right? Then read two...Three...Four... and before you know it, you’re reading entire chapters.

Pray for open eyes to behold wondrous things from God’s Word and commit to reading at least one verse every day for the rest of your life.
