Trust in the Lord with all your heart and lean not on your own understanding; In all your ways acknowledge Him, and He will make your paths straight. Proverbs 3:5-6

Every day you put your trust in things.

You trust that when you turn the key or push the button your car will start.

You trust that when you sit down in a chair, it will support your weight.

God calls us to have that same level of trust in Him. And, not just with some things. He wants us to trust Him with all areas of our life!

We may trust Him with our health, but not with our children.

We may trust Him to provide a job, but not a spouse.

However, God tells us that He wants us to trust Him with **ALL** of our hearts and not lean on our own understanding. Though we may think otherwise, we do not always know what is best for us.

As we trust God, He promises us that He will make our paths straight. As we read His Word and bring requests to Him in prayer, He will show us which way to go.

How great it is knowing that the God of the Universe has your back! He will take care of every aspect of your life if you just turn towards Him. After all, He knows your name.
