Your most
Powerful
testimony is how
you treat others
after the church
service is over.

Genuine, heartfelt Christianity is contagious. If you enjoy a life-altering relationship with God, that relationship will have an impact on others—perhaps a profound impact!

Are you genuinely excited about your faith? And do you make your enthusiasm known to those around? He intends that you stand before others and proclaim your faith.

Does Christ reign over your life? Then share your testimony and your excitement. The world needs both.

Enthusiasm, like the flu, is contagious—we get it from one another.

Dear Lord, I know that others are watching the way that I live my life. Help me to be an enthusiastic Christian with a faith that is contagious. Colossians 3:23
