**Thank You**

What a wonderful family I have at First Baptist Church. You provided food, calls, and prayers as I went through 3 rounds of antibiotics, You also included my 3 children who came to stay with me. Thank you all!    Helen Lammons

The reason we are not seeing many come to Jesus is because the church needs revival. When revival comes to God's people, the lost will be saved. As the great evangelist Gypsy Smith said, "The way to have revival is for a person to draw a circle on the floor, Then get inside the circle and say to God that I am not going to get out of this circle until you do something in me." May our Revival be a time of internal investigation, personal repentance, and personal renewal by God's Spirit in each of our lives!

Due to the Revival, the March Business Meeting will be postponed until March 22 following the Evening Worship Service.
