Questions to ask your kids or grandchildren after school instead  
of  
“How was your day”

What made you smile today?

Can you tell me an example of kindness you saw or showed?

What did you do that was creative

Who did you sit with at lunch

Was anyone in your class gone today?

Tell me something you know today that you didn't know  
yesterday.

Did you like your lunch?

What was the hardest rule to follow today?

If you could change one thing about your day today what would  
it be?

What made your teacher smile?

What made her frown?

If you could switch seats with anyone in class, who would it be?

Why?

What kind of person were you today?
