Thank You

Dear friends in Christ,

Thank you so much for the lovely flowers. They brightened my day! When I saw Sylvia's tulips she told me about placing the big arrangement in memory of Buddy. Then told me the flower committee divided up the rest of the arrangement to give to other people. These flowers had a special meaning because Sylvia, Buddy, Nick, and I had been good friends for years.

I have completed radiation and am waiting to have a scan.

Thank you for all your prayers.
