## THE MYSTERY OF HIS DEATH

One of the most glorious experiences possible is to stand at the Garden Tomb, just outside the city gates of Jerusalem, and realize anew this is an empty tomb. Christ died as every man must die, but there is a difference. After three days in the heart of the earth, He arose triumphant from the grave. The Pharisees came seeking a sign. Christ gave them an irrefutable sign --- resurrection from the dead! No other sign could prove that He was fully God, in addition to being fully man. The empty tomb is still giving it's silent witness. Only Christ's redeemed can understand the mystery of the empty tomb.

Pray today that we may live daily in the power of our Lord's resurrection. Pray for those who have still yet to understand the awesomeness of the empty tomb, and live in denial of the Savior who died for them.
