If you are in a dark place, hang on and know that this will pass.

Don't make a permanent decision on a passing feeling.

Thank You

How would I have ever pulled through the last few weeks without my wonderful church family praying for me. You will never know what a comfort and what encouragers all of you are. And then to send me the beautiful bud vases on top of all just made me feel so loved. Thank you so very much for being there.

Love,
Betty Jo Wilson

Your help is Needed

The CMI State Agency in Holmes County is asking for help with a woman and her 3 children who have been living in her car. The agency has gotten her out of the car and into a house, and the children are in foster care. She can now have the children on week-ends. Rent will soon be due again and utilities will need to be paid. Since she now has an address, her check will start again in October. If you would like to help in this case, please make out a check to Minister's Charity Fund who will pay the utility company and Landlord.
