Holmes Community College BSU Paper Drive

The Holmes Community College BSU is asking your help with paper goods for the new school year. They need paper towels, toilet paper, large cups, plastic eating utensils, napkins and paper plates. You may bring your paper goods to the church office or the Association Building by August 15. We will get them to the college for you!

DEADLINE--WEDNESDAY

A special tip of the hat to our volunteers. Our librarians, Edith Aldridge and Helen Lammons spend countless hours making the church library one of the best in the state. Edith does such cute window displays and gets the books ready to be put on the shelf for you to check out. Helen gets the books on computer, checks in books and checks them out for you. She labels the books that are given as memorials. Edith and Helen go to Jackson to purchase up to date books for our readers. If you have not checked out a book or a series of books, please come this week and get started. There are some great Civil War times books, Western Books, Sports books, Romance, Spy Books, Mysteries, Family Life books --- just all kinds. Come get you one.

Don't the Sconces in the Sanctuary look nice? Thank you Lisa Williamson for cleaning them. They sure shine brighter!
